Dear Sir/Madam:

Enclosed please find a DUPLICATE COPY of the OFFICE ACTION RESPONSE AND AMENDMENT in patent application serial no. 09/827,775 as was filed by facsimile (PTO Central Facsimile No. 703-872-9306) on Monday, January 5, 2004. This Paper was filed within three-months of the Office Action, date of mailing 10/03/2003.

This communication is responsive to the examiner's telephonic notice, that a reply to aforementioned Office Action 10/3/2003 remains unentered into application file records. At the request of the examiner in April-May 2004, several duplicate facsimile transmissions of the Response were sent to the Examiner's specified facsimile no. (703) 746-4868. A copy of our facsimile confirmations for these dates are attached as Appendices A-C. These duplicate transmissions were reported by the Examiner as unreceived. Therefore, in an abundance of caution, the undersigned attorney of record is providing a duplicate copy of the aforementioned Response and Amendment Paper January 5, 2004

A return postcard is attached for our additional records.

No additional fees or extensions should be incurred by the submission of this DUPLICATE Paper 1/5/2004, apart from those fees authorized by the previously filed and attached Petition for Extension of Time.
